Lyrical/Contemporary

This class uses dynamic emotion and expressive movements, teaches fluidity, balance, extension, and control, it combines modern & jazz dance techniques with a strong ballet foundation.

Jazz

One of the most popular styles of dance! Our jazz classes are high energy classes that focus on technique and musicality. These one-hour classes work through a detailed warm-up, across the floor techniques, and combos. Dancers will learn skills in leaps, turns, and jumps. Our Stretch and Condition class is a highly recommended supplement!

Hip Hop

Hip-hop dance is a high-energy high impact style of dance. This energetic and fast-paced dance class will help students develop rhythm, musicality, coordination, and focus while having fun. Our Stretch and Condition class is a highly recommended supplement!

Tap

Tap dancers have the unique opportunity to be musicians and dancers at the same time. Tap class will begin with a set warm up focused on technique, clarity of sound, musicality, and strengthening the mind and body. Students will gain experience in traditional tap vocabulary through learning and practicing a variety of tap steps, short phrases, tap turns, and choreography using different rhythms supported by a wide range of music. Developing confidence in tap improvisation will also support a student's ability to discover her or his own tap voice and style.

Acro

This class incorporates gymnast-like tumbling and flexibility skills with the beauty and execution of dance. Safety and proper form are of utmost importance in our acrobatic training program. We offer many levels of Acro to be incorporated into your dance classes. This class is non recital, so students can grow in strength and skills throughout the season.

Musical Theater

is a jazz-based class filled with Broadway style dancing and music. Classes incorporate the style of dance one would typically see on a Broadway stage. This form of dancing emphasizes learning performance skills such as connecting with the audience and facial expressions. Dancers must take a Ballet or Jazz class to participate in Musical Theatre. Musical Theatre is offered to Ages 9+

Ballet

This class is the foundation of it all. Come enjoy the excitement and beauty of classical ballet! This class will focus on ballet terminology and technique through the execution of barre work, center, and across the floor exercises. Your child will have a clear understanding of body alignment, movement quality, carriage of upper body, and flexibility.

Pointe

These classes are perfect for the ballerina who is wanting to take their Ballet technique to the next level. They use the Ballet technique that is taught within their normal classes, and push it further to be able to execute the same techniques on pointe. Just like the professional Ballerinas, our students get to experience what it's like to not only dance in pointe shoes, but to gain confidence in their normal Ballet technique as well. These classes are by invitation only.
